Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tailgate as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you make up your mind to buy, get this one. We know you'll be happy with it.

HAVE YOU LOOKED INTO CAMPER BODIES? This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.
